

TWO TIMES MTV AWARD WINNERS TOURING THE WORLD IN 2018

Rocking the **South-East Europe** since 1986, **VAN GOGH** has been reaching the highest peaks in rock music scene for over three decades.

R'N'R pioneers were leaders of **Belgrade underground rock scene** in nineties, and kept growing and floating with trends of 21st century. They have settled the ground for future rock generations and left a significant legacy for musicians and fans.

Two times awarded with MTV Award for the **Best Regional Performer in 2007** and **Best Adriatic Act in 2014**, they remain Balkan's most influential rock band, supported by numerous fans around the Europe!

**IN 2018 BALCAN ICONS ARE BRINGING
ROCK AND EDGY PERFORMANCES
AROUND THE WORLD!**

After finishing their last album, which was tribute to the band's 30th anniversary, Van Gogh started their regional tour with Belgrade concert.

Literally, three generations of fans were gathered for a 5 hour performance - innovative concept that combined some old school rock rhythms from the 80's and 90's, followed by acoustic version of band's greatest hits and EDM sets.

To quote the critics: concert was epicall!

Van Gogh has been turing the region ever since, including destinations such as Australia, Dubai, Switzerland etc.
